July is National Ice Cream Month

In 1984, President Ronald Reagan designated July as National Ice Cream Month and the third Sunday of the month as National Ice Cream Day. He recognized ice cream as a fun & nutritious food that is enjoyed by a full 90 percent of the nation's population. In the proclamation, President Reagan called for all people of the United States to observe these events with "appropriate ceremonies and activities." Therefore, on Friday, July 17th the children at Little Footsteps will be enjoying an ice cream celebration!

National Parents' Day

Parents play a vital role in the lives of children. Parents protect, teach, provide and serve as role models. As part of a family, we look to them for guidance. It's a time for families to come together.

LFS appreciates our Parents!

Little Footsteps will be closed August 31-September 7. We will re-open on Tuesday, September 8th. The school is closed each year to clean, disinfect & prepare the classrooms for September!
