You're never too old,

too wacky, too wild,

To pick up a book and read with a child.

You're never too busy, too cool, or too hot,

To pick up a book and share what you've got.

In schools and communities,

Let's gather around,

Let's pick up a book,

Let's pass it around.

There are kids all around you,

Kids who will need Someone to hug,
Someone to read.
