July is National Ice Cream Month

In 1984, President Ronald Reagan designated July as National Ice Cream Month and the third Sunday of the month as National Ice Cream Day. He recognized ice cream as a fun & nutritious food that is enjoyed by a full 90 percent of the nation's population. In the proclamation, President Reagan called for all people of the United States to observe these events with "appropriate ceremonies and activities." Therefore, on Wednesday, July 19th the children at Little Footsteps will be enjoying an ice cream social complete with all the toppings!
